

HOLY CROSS HOME SCIENCE COLLEGE

THOOTHUKUDI

PROSPECTUS

The Joy of learning and becoming skillful

The Holy Cross Institute

Holy Cross Home Science College for girls is run by the Management of Sisters of the Cross, province of Madurai, who resides within the campus, evincing a maternal care for the mental, moral and civic values of the students. Holy Cross Home Science Academy was raised to the status of a college in 1975 with the introduction of B.Sc degree course in Home Science and the college was first affiliated to Madurai Kamaraj University, Madurai. Since 1990, the institution is affiliated to Manonmaniam Sundaranar University, Tirunelveli, Tamil Nadu.

It creates an ideal environment for the students to experience the joy of learning and to be competent to meet the demands of globalization.

The nutrition, dietetics, fashion, computer, English literature and commerce are the fastest growing field today, which has created a constant need for trained personnel. Holy Cross College strives to produce and efficient, skillful, effective and innovative trained workforce to meet the ever increasing demands of the nutrition, dietetics, fashion, computer and commerce field.

A nursery school within the campus, provides facilities to learn the behavioural pattern of little ones and also the psychological, emotional and social changes that occur during their pre-school period. This formed a part of the practical work in Human Development studies in B.Sc Food Science and Nutrition.

The entire educational complex has been designed to enable the students to make a smooth transition from institution to industries and companies. The college offers B.Sc, B.Com and B.A English Literature as UG Courses, M.Sc, M.Com and M.A English Literature as PG courses. One year certificate course in Fashion Designing is offered by the institution.
